Since all food is "grab and go," the plan to feed students allows parents to drive into the student drop-off area in the front of the school. No food will be consumed on-site.

We are providing breakfast and lunch for 2 days on Monday and breakfast and lunch for 3 days on Wednesday.

The parent/guardian can have the children in the car or, if the children are not present, they will need to present some form of valid identification for each child. The child's school identification card, passport, government-issued identification card, or even a homework assignment with the child's name and school on it will suffice.
