**Lexington One Educational Foundation Awards \$16,800 in Scholarships to Outstanding Lexington District One Seniors**

*July 1, 2020, LEXINGTON, S.C.* — The Lexington County School District One Educational Foundation proudly awarded 15 scholarships totaling \$16,800 to deserving Lexington District One seniors. Each scholarship award was announced at the corresponding high school awards program, all of which were held virtually this year as a result of the COVID-19 pandemic.

The foundation staff received 91 scholarship applications from outstanding Lexington District One seniors who planned to further their education with a 2-year or 4-year college degree. Criteria for each of the Educational Foundation scholarships vary, yet each application specifies these details.

Foundation Executive Director Julie Anderson Washburn shared, “We are extremely grateful to the families who have established scholarships with the Lexington One Educational Foundation, as they are an immense benefit to our amazing Lexington One seniors who receive an award. Scholarship funds are a wonderful way to carry on a personal legacy or to memorialize a loved one. Each year these scholarships assist our student recipients in paying for part of the expenses associated with pursuing a college degree, which is a huge financial investment.”
