

## Memorial Gifts for Dr. Harmon

**February 10, 2017:** We were saddened to learn of the recent passing of our cherished board member, Dr. G. Edwin "Ed" Harmon, on Tuesday, February 7, 2017. He was a long-time member of our Educational Foundation board, serving since 2010, as well as a loyal Lexington One Trustee who faithfully served our district for 16 years.

In response to his recent passing, a number of individuals asked if they could make a gift to the district in his memory, due to his loyal service to Lexington One students, teachers and schools. Please know that if you wish to make gifts to Lexington One in Dr. Harmon's memory, you may send your gifts to the Lexington One Educational Foundation. As always, we will send a note to the family notifying them of your memorial gift honoring Dr. Harmon.

Thank you for keeping the entire Harmon family in your thoughts during this difficult time. Dr. Harmon was a caring man who dedicated a tremendous amount of time and energy towards helping Lexington One and he will surely be missed by many in our district.
